## EXPERIENCE

1. Student Consultation— Small Business Management, Brigham young University Idaho  
Part of a student team that consulted a local Dermatology clinic in Rexburg ID. Helped hire a new social media marketer and streamline his social media advertising, saving him 5,000 dollars a year and generating 5,000 more in revenue. And increased sales by recommending selling products in house, generating an extra few thousand dollars in revenue.

2. BYU-Idaho Lifeguard/Rec Worker/Communications Leader/Lifeguard Instructor/Team Coordinator— BYU Idaho Rec Services, Rexburg. ID As a lifeguard and rec services worker, I work with customers and practice customer service, setting up, maintaining, and supervising sports any students want to play. As a communication lead, I advertise our services to the students. As a lifeguard instructor, I help create and run in-services, lead and teach the new guards necessary skills, and am put in a position of leadership. As a team coordinator, I help disseminate important information and problem solve in the moment. I also help build and maintain culture in the workplace.
